KENNESAW, Ga. (Jan. 8, 2013) - A decision on the proposed feasibility plan for the football and Title IX women's sports programs at Kennesaw State University has been deferred.

The Board of Regents of the University System of Georgia has indicated that Kennesaw State University's request will be taken under further study. Kennesaw State University officials look forward to continuing to work with the Board of Regents.

Updates will be provided as more information becomes available.
